PROFESSIONAL EXPERIENCE

Investment Intern, Norvestor **January 2026 - June 2026**

- Screened and evaluated 1,000+ companies, encompassing both platform investments and add-on acquisitions
- Supported multiple active deals by conducting valuation analyses, formulating M&A views, and preparing IAC material

Visiting Associate, Boston Consulting Group **August 2025 - October 2025**

- Internship within the PIPE-team (Principal Investors & Private Equity)
- Strategy project for a portfolio company of a large European private equity firm

Management Consulting Intern, Cupole (Eidra Consulting) **November 2024 - December 2024**

- Part of a team delivering a C-suite strategic growth project for a major client
- Completed in 4 weeks, achieving results that a prior consulting firm had not in 6 months

Investment Intern, Listed Companies, Investor AB **August 2024 - October 2024**

- Contributed to strategic analysis and internal projects on Investor's listed portfolio companies and their peers
- Conducted financial modeling, data analysis, and expert interviews to inform investment assessments

Investment Banking Intern, Carnegie Investment Bank (DNB Carnegie) **May 2024 - August 2024**

- Assisted on two IPOs and one sell-side M&A through financial modeling and presentation materials
- Conducted company screening, research, and ad hoc analyses for additional projects

Equity Research Intern, DNB Markets (DNB Carnegie) **January 2024 - March 2024**

- Supported research analysts on initial coverage reports, earnings previews/reviews, and sector analyses

Course Assistant, ITM-school, KTH **March 2022 - May 2024**

- Led weekly tutorials and seminars, and graded 300+ exams

EXTRACURRICULAR ACTIVITIES

Business Development Associate, KTH AI Society **September 2026 →**

- Source, pitch, and structure partnerships with companies across the AI ecosystem

Bachelor Thesis, Handelsbanken Asset Management **January 2024 - June 2024**

- Researched how machine learning in company analysis can increase efficiency within asset management

Head Sailing Coach, Lidingö Jolleseglare (LiJs*)* **November 2018 - December 2023**

Sailing club of the year 2023, awarded by Svenska Seglarförbundet

- Supported the development of aspiring sailors, witnessing an increase from 2 participants in the Junior Swedish Championship, JSM, 2019 to over 20 by 2023, which ultimately resulted in the club being honored as the Sailing Club of the Year in 2023

LANGUAGES & TOOLS

Languages: Swedish (native), English (fluent)
Technical: Python, Excel (incl. financial modelling), LaTeX, Valu8, Mergermarket, Capital IQ, FactSet, Inven, Grasp

INTERESTS

Football: Played 15+ years at IFK Lidingö; later founded my own amateur team
Generative AI Apps: Enjoy experimenting with AI-generated content, utilizing tools like Suno for music and Lovable for app creation
Stock market: Have managed my own portfolio for nearly a decade, outperforming both the OMXSPI and S&P 500 during the period
